

Metawave Privacy Disclaimer

Privacy Policy:

Metawave collects information to improve our website and provide a better interface. The information Metawave collects is used for traffic analysis and to improve the visitor experience and provide information clearly and effectively.

The information collected includes, where available, unique identifiers, browser type and settings, device type and settings, operating system, mobile network information including carrier name and phone number, and application version number. We also collect information about the interaction of your applications, browsers, and devices with our services, including IP address, crash reports, system activity, date, time, and referrer URL of your request. Information collection occurs when the site is accessed. No cookies or other information is sent to your machine.
